**PERMIT ACREAGE INCREASE REQUEST**

Date: \_\_\_\_\_

Permit Number: \_\_\_\_\_ District \_\_\_\_\_

Permit Holder: \_\_\_\_\_

Project Name: \_\_\_\_\_

Project Location: \_\_\_\_\_

Address: \_\_\_\_\_

Reason for Acreage Change: \_\_\_\_\_

Size change from: \_\_\_\_\_ to: \_\_\_\_\_ Fee Paid: \_\_\_\_\_

Receipt #: \_\_\_\_\_ Check #: \_\_\_\_\_

Fee: **If a NOTICE OF VIOLATION has been issued, a late fee of \$100 is due and should be submitted with this form. If late fee is not paid, the permit becomes invalid.**

1. Site increase totaling up to .99 acre requires no additional charge **(plus late fee if applicable)**.
2. If original permit was less than one acre with a cost of \$350.00, subtract the original \$350.00 fee from the new fee. Example: New site is now 4.5 acres, was 0.5 acre. The new fee will be \$77 per acre x 4.5 acres = \$346.50 (amount due).  
**\*\*The same calculation applies for sites originally permitted 1 acre or larger.**
3. If original permit was greater than one acre: additional fees **for the new acreage** are calculated at \$77 per acre **(plus late fee if applicable)**.

**SPECIAL INSTRUCTIONS**

- \* Site size/acreage changes will keep the original issue date and will expire one year from original issue date.
- \* Sites that increase to five acres or greater will require a project information sign and modifications to the originally submitted dust control plan.
- \* Sites that increase to two acres or greater will require a trackout control device and modifications to the originally submitted dust control plan.
- \* **A new site plan is required for all site size/acreage changes.**
